

Library Card Sign-Up Month

September is Library Card Sign-up Month, a time when libraries across the country remind you that a library card is the smartest card you can own. As students head back to school this September, we encourage parents to visit the library and make sure their children and teens sign-up for the most important school supply of all - a library card.

Check out our [Library Value Calculator](#) and see what a great value your library card is!
